August 4, 2017

Dear Parents,

I am delighted to welcome your child to Riverside Elementary School this year. I truly anticipate an exciting and successful school year. It is my goal to provide all students with educationally challenging yet fun experiences in each classroom. We know that our students are eager to learn and this inspires us to be creative in our teaching methods. We have high expectations for all the Riverside Elementary staff and students. To maintain those expectations I consider it of prime importance that you be an active part of your child's education.

It is important that you and your child be informed of our standards of classroom behavior so everyone knows what is expected. We would continue to need parents to be supportive of good behavior so that their child and others have a good environment for maximum learning.

Finally, one of our most important goals this year is to keep the lines of communication open with you. I would like to extend an invitation for you to visit our school, join PTO, get to know your child's teacher, and talk to us more closely. Our doors are always open. Though out the school year, we have many special activities, and we are always looking for parent involvement.

Please feel free to contact me at 662-335-4528 or email gjackson@westernline.org should you have questions or concerns during the normal school hours. I look forward to meeting each of you.

Sincerely,

Glenda T-Jackson
